# MOBILE REMOTE DEPOSIT ANYWHERE QUICK GUIDE

# Mobile Remote Deposit Anywhere

Citizens Bank & Trust has enabled access to use Mobile Remote Deposit Anywhere, which allows you to use a mobile device to capture images for deposits anywhere, at any time. Use the following steps to become acquainted with the functionality behind mobile RDA.

The following devices have been approved for use of mobile RDA.

- Apple® iPhone®
- Apple® iPad®
- Android™ phones
- Windows® 7 phones

If you have not received a username and password for mobile RDA, please contact **Citizens Bank & Trust for assistance at (888) 676-7631**

- From the *Deposit* page, select the **Check Front** option to begin capturing an image of the front of the check for deposit. The mobile device may ask you to confirm the RDA application to access the device's camera functionality. Select **OK** to continue.

6. Take a picture of the front side of the check. Use the following guidelines to ensure your picture will be captured and read correctly.
  - Make sure there is sufficient lighting.
  - Place the check in front of a dark background.
  - Ensure all edges of the check are visible in the picture.
  - Avoid blurry images.
7. Once you have your photo, select **Use Photo** to continue.

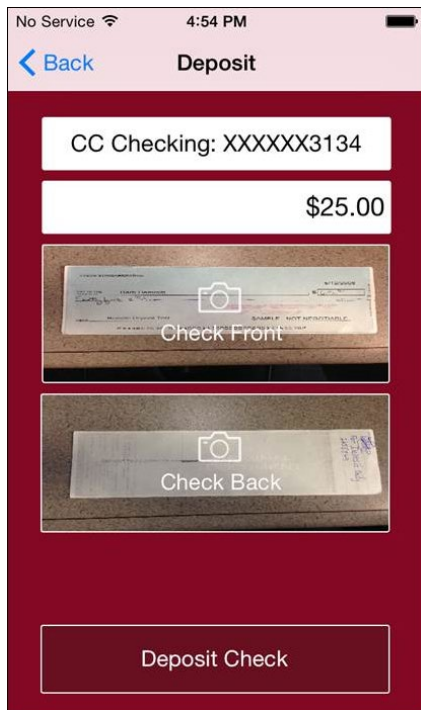

8. From the *Deposit* page, select **Check Back** to take a picture of the back side of the check using the same guidelines for a good image.

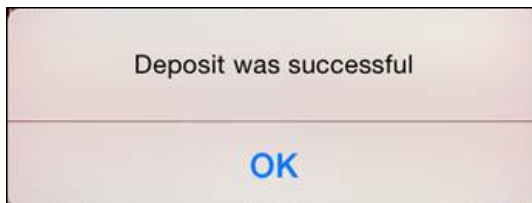

Once you have a good image for the back of the check, select **Use Photo** to continue.

9. From the *Deposit* page, select **Deposit Check** to generate the deposit.

The screenshot shows a mobile app interface for depositing a check. At the top, the status bar indicates 'No Service' and the time is 4:54 PM. The app header has a blue '< Back' button and the title 'Deposit'. The main content area has a dark red background. It contains a white box with the text 'CC Checking: XXXXXX3134', another white box with '\$25.00', and two camera icons for 'Check Front' and 'Check Back'. At the bottom, there is a white button labeled 'Deposit Check'.

10. A **Confirmation for Deposit** displays. Click **OK**.

The screenshot shows a confirmation dialog box with a light gray background. It has a white box at the top with the text 'Deposit was successful'. Below this, there is a blue 'OK' button.

## Reviewing a Deposit

Once you have made a deposit, you can opt to review its details.

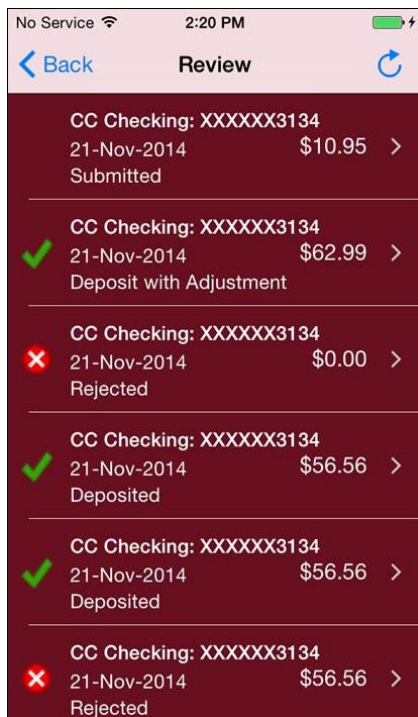

1. From the *Home* page, select **Review**.

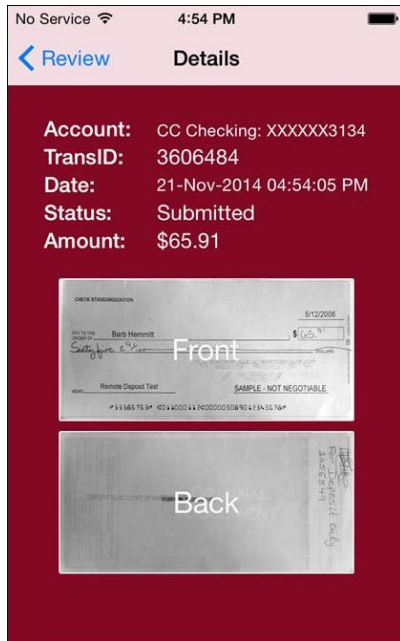

HOME PAGE

2. The *Review* page appears with deposits made within the last five days. A  check next to a deposit entry indicates the deposit was made successfully. An  next to a deposit entry indicates the deposit was unsuccessful. No check or “x” indicates that the deposit has not yet been processed. Select a deposit to view more details.

REVIEW PAGE WITH DEPOSIT(S) LISTED

3. The *Details* page appears with the *Account*, *transaction ID (TransID)*, *Date*, *Status*, and *Amount* listed. You may also select the **Front** or **Back** image to enlarge its display.

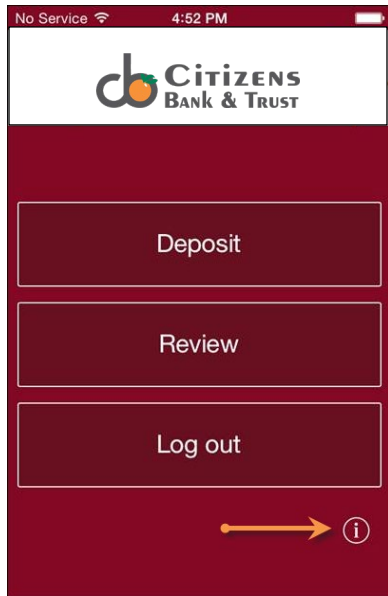

The following table lists the *Deposit Status* types that you may encounter when submitting a check for deposit.

Deposit Status	RDA Action
Submitted	The deposit has been closed and the item(s) are being reviewed for accuracy and errors. Once finished, the status will change and move to the appropriate deposit status.
Deposited	The item(s) have been processed successfully, and the deposit is in balance with no discrepancies or errors. These items are now in the Approved status, and an email notification has been sent.
Rejected	The deposit may have been rejected if an item has exceeded an adjustment limit, may be a duplicate transaction, or was rejected in Keying & Balancing.
Deposit with Adjustment	The deposit indicates that one or more items within the deposit cause an adjustment to the total deposit amount. The transactions have been sent to transaction processing with the adjusted deposit amount, and an email notification has been sent.
